PART B: ABERDEENSHIRE COUNCIL'S COMMON GOOD POLICY

Aberdeenshire Council
Common Good Fund Policy

What are Common Good Funds?

Common Good Funds are generally made up of property (including land, buildings, investments and movable items) that belonged to the previous burghs of Scotland.

The responsibility for administering these funds now rests with the local authorities throughout Scotland. Aberdeenshire Council is responsible for administering 17 Common Good Funds, the details of which are listed below:

AREA COMMITTEE	NAME OF COMMON GOOD FUND AND AREA COVERED	APPLICABLE COUNCIL WARD
BANFF AND BUCHAN	Aberchirder	1
	Banff	1
	Fraserburgh	3
	Macduff	2
	Portsoy	1
	Rosehearty	2
BUCHAN	Peterhead	5/6
FORMARTINE	Oldmeldrum	8
	Turriff	7
GARIOCH	Inverurie	11
	Kintore	12
KINCARDINE AND MEARNS	Inverbervie	19
	Laurencekirk	19
	Stonehaven	18
MARR	Ballater	15
	Banchory	16
	Huntly	14

These Common Good Funds, although, held by the Council are legally distinct from the Council's other funds, and any money held within these Funds, including the income from any assets which make up these Funds, are to be used solely for the overall benefit of the people who reside in the area covered by the applicable Fund.

The Council, however, does retain discretion in terms of how these funds and their income is used and, for example, may decide to acquire land for public use (e.g. formation of a public park) or maintain a publically owned building (e.g. maintaining the local town hall) using the funds where the action taken is deemed to be for the overall benefit of the local community.

Further to this the Council also considers applications for funding in respect of each of the aforementioned Common Good Funds, from individuals or organisations who live or operate in the area covered by the specific Fund and who provide services which are aimed at benefiting their community.

The 17 Funds listed in the table above vary in size and as a result what can be achieved in each area using these funds will differ as will the opportunity for individuals or organisations to secure funding.

The Council has therefore developed the following policy and procedures when it comes to administering these Funds.

What can Common Good Funds be used for?

The actual use of Common Good funds has been determined by the Courts over the years, and local authorities have a very wide discretion as to how the funds are distributed, provided that local authorities honestly exercise their discretion and that the use of common good funds is not contrary to policy² or for unlawful purposes³.

The Courts have decided that Common Good monies may be used for the following:-

a) **“Upholding the dignity of the Burgh”**

This involves matters relating to civic ceremonies and related hospitality for appropriate officials and guests, such as town twinning events.

b) **The prudent management, upkeep and improvement of common good fund property, whether such property is used by the general public or held for investment purposes**

This relates to the management and maintenance of Common Good land and buildings for public use

c) **Safeguarding the corporate rights of the community and defending its interests**

This could be used to develop or promote a coat of arms or civic identity.

d) **Granting donations to public institutions or charities**

Such donations must be granted to benefit the interests of the general public of the relevant area.

e) **Any other purpose which in the bona fide and reasonable judgement of the council, is for the good of the community as a whole, as opposed for the interest and benefit of any particular group or individual.**

² Test set out in *Graham v Glasgow Corporation* (1936)(SLT) 145

³ *Kemp v Glasgow Corporation* (1920)SC(HL) 73

The Courts have stated that they will “*only interfere with Local Authorities discretion if its acting’s are shown to be (1) ultra vires⁴, (2) illegal, (3) contrary to public policy, (4) contrary to the general interests and welfare of the community as a whole, (5) not within their proper discretion (6) not an honest exercise of their discretion (7) vitiated⁵ by abuse or malversation⁶”.*

Aberdeenshire Council has determined that Festive Light Displays and Town Twinning fall into this category.

Festive Light Displays

The following eligibility criteria apply to applications for Festive Light Displays:-

1. Groups can apply for new lights only. Repair, maintenance, installation and storage costs will not be supported,
2. Groups can source 50% of the total cost of the purchase of new lights from this fund to a maximum of £1,500,
3. Groups can only access this fund once every three years,
4. Support will only be given for displays which use energy efficient technology and focus on town centres or the main village thoroughfares

LOCAL VARIATION – This criteria does NOT apply within the Buchan Area of Aberdeenshire

Town Twinning

Applications for funding may be acceptable for contributions towards the establishment of new Town Twinning Schemes where evidence is shown that there will be benefits to the whole community. This may include travel expenses for an initial visit only.

Funds distributed from the Common Good will be recovered from the applicant if not used as applied for.

What can't Common Good Funds be used for?

Common Good Funds **cannot** be used for –

- Activities promoting religious or political beliefs

⁴ ultra vires – beyond the powers

⁵ vitiated - invalidate

⁶ malversation – corruption

- Travel costs for exchange visits or trips unless it can clearly be demonstrated that there is a benefit to the wider community.
- Administrative costs for community councils over and above their annual grant from Aberdeenshire Council
- Applications to cover an organisation's running costs or capital investments
- Applications for projects which another organisation has a legal right or duty to provide
- Projects that do not benefit the wider community
- Applications from individuals or organisations that do not live or operate within the area covered by the particular Common Good Fund
- Organisations seeking to make a profit using Common Good Funding where those profits are not reinvested back into the project.

Who makes decisions about distributing Aberdeenshire's Common Good Funds?

Aberdeenshire Council's Scheme of Governance sets out the powers available to Committees and Officers in relation to Common Good Funds within Aberdeenshire.

The power to approve policy

Section C of Part 2A– List of Committee Powers Section 2.6 gives power to the **Business Services Committee** to approve policies for the management and investment of any funds including the common good.

The power to administer Common Good Funds

Section B of Part 2A – List of Committee Powers Section 2.1 gives **Area Committees** authority to administer Common Good Funds and trusts controlled by the Council for the benefit of their Area.

All Area Committees have been consulted on this policy and have agreed to administer the Common Good Funds for their Area in accordance with this Policy.

Practicalities

Part 2A – List of Committee Powers – General Provisions Section 7 permits an Area Committee to delegate to an Officer any of the functions which have been delegated to the Committee.

Section 8 allows a Committee to delegate to Sub-Committees.

Part 2B – List of Officer Powers – Section D Business Services

Section 1.4 gives Area Managers authorisation to process applications in terms of the Council's Common Good Fund Procedures, as follows:

- 1.4 process applications for financial assistance requests from the Council's common good funds in terms of the Council's common good procedures; and to
 - a. Determine the competency of applications in terms of the Council's Common Good Policy, following consultation with the Head of Finance and Head of Legal and Governance; and
 - b. Approve awards of financial assistance from common good funds, following consultation with the relevant Ward Members, where there is majority agreement:
 - (i) that an awards can be made; and
 - (ii) as to the amount of money that is to be awarded;failing which the matter is to be referred to the relevant Area Committee for determination.

In terms of the Financial Regulations, Section 4.10.1 states that the Council shall make the necessary arrangements for the proper administration of each Trust Fund in accordance with the conditions laid down by the Trust or other deed.

Capital Expenditure

Local Authorities have a statutory duty to keep the scale of their capital investment under review.

The Finance Service must be consulted on the implications when appraising any request which has or may have a capital implication.

Payments from Revenue

Payments made from any particular Common Good Fund in any one year should not exceed the level of income it is anticipated will be generated in that year. This is a prudent view which seeks to ensure the ongoing viability of the Fund.

There are, however, times when Members may wish to make a payment of a level greater than the income generated in that year. In order to allow for this any unspent revenue income from previous years can also be considered available to spend.

PART C: INFORMATION FOR APPLICANTS

INFORMATION FOR APPLICANTS ON COMMON GOOD FUNDS

WHAT ARE COMMON GOOD FUNDS?

Common Good Funds are generally made up of property (including land, buildings, investments and movable items) that belonged to the previous burghs of Scotland.

There are 17 funds in Aberdeenshire. Various common good properties and facilities generate income for these funds and the Council has a policy in place which sets out how that income can be used.

If sufficient income is available, funding can be provided for projects that benefit people living in the former burghs.

WHO CAN APPLY?

- An individual
- A non-profit making, constituted group
- A partnership of various groups

WHO CAN'T APPLY?

- Companies or organisations or groups that aim to make a profit

WHAT CAN WE FUND?

The Council may be able to award you money if you can show that your project relates to at least one of the criteria set out in the Council's Common Good Fund Policy (see Part B) above.

Your project could combine a range of different activities but must show direct community-wide benefit.

HOW MUCH CAN YOU GET?

The amount of funding available varies from fund to fund. You can get an indication of the level of each fund including annual income from our website at <http://www.aberdeenshire.gov.uk/communities-and-events/funding/garioch/>

The money you request should be realistic and give value for money. The Council expects that you will also contribute something towards the project. This need not necessarily be money, but something in kind, such as time, materials, transport or use of premises. If your group has more savings than the amount of money you are applying for, you should explain to the Council what you're planning to do with this money. If you have not set aside this money for anything in particular, it is not likely that the Council will award you any funding.

You should only make one application at a time.

WHAT CAN'T WE FUND?

- Activities promoting religious or political beliefs
- Travel costs for exchange visits or trips unless there is a wider benefit to the local community
- Administrative costs for community councils over and above their annual grant from Aberdeenshire Council
- Applications to cover an organisation's running costs or capital investments
- Applications for projects which another organisation has a legal right or duty to provide
- Projects that do not benefit the wider community
- Applications from individuals or organisations that do not live or operate within the area covered by the particular Common Good Fund
- Organisations seeking to make a profit using Common Good Funding

The content of this publication, or sections of it, can be made available in alternative formats or translated into other languages. Please contact your Local Area Manager for further assistance.

WHAT DO I DO NEXT?

Make sure you complete the application form as fully as possible. If the Council has to ask for any additional information, this delays your application.

Applications will take approximately two months to process so make sure you submit your application in plenty of time. Please note that the timescale for processing a significant funding request may be much longer to enable the Council to consider the priority of the project in relation to other requests against the particular Common Good Fund.

When you submit your application for, you must also enclose the other documents required, which are:

- Most Recent Accounts (audited where possible)
- Constitution or membership documentation
- Quotes (where appropriate)

If you have any other information that you would like to submit in support of your application, please do so

WHERE DO I SEND MY APPLICATION FORM?

AB51 3WA**

Alternatively, you can complete your application and e-mail it with the required documents to: garioch@aberdeenshire.gov.uk

WHAT HAPPENS NEXT?

Your application and additional documents will be checked to see if everything is complete. If your application is not complete, you will be contacted for the missing information. This may involve returning the application to you. An incomplete form will certainly cause delay so please make sure you submit everything that is needed to process the application.

Once the Council is satisfied that the application is complete, you will receive an acknowledgement of the application within five working days. This will include a reference number for the application. You should use this reference number in any correspondence with the Council relating to the application.

Your application will then be assessed and a determination will be made by the Area Manager that your application is competent in terms of the criteria set out in the Council's Common Good Policy.

Then either:

- If your application is deemed not to be competent, you will be notified of the reasons why your application is not competent. The application will not be processed further; or
- You will be notified if your application is competent and that your application will be processed further.

Competent applications will then be processed further and a decision will be made in respect of your application, either by an officer, following consultation with the relevant Members, or by the relevant Area Committee, where agreement cannot be reached

WHAT HAPPENS ONCE A DECISION IS MADE?

You will receive a letter advising you that your application has been successful and telling you how much funding has been awarded and when it will be paid.

You must spend the money within one year of the date on the award letter and complete and end-of project monitoring report.

You will need to submit copies of receipts where funding is for the purchase of equipment, materials etc. prior to payment being made.

If your application is not successful, you will receive a letter advising you of the reasons why.

YOU CAN APPLY AGAIN

Applications are welcome from groups or individuals who have received funding previously. Once you have spent your funding and you have submitted your end-of-project monitoring report, you can apply again.

Each application will be considered individually and there is no guarantee that further funding will be awarded.

If you have had an application turned down, you can also apply again. You will always be advised of the reasons why applications were not successful.
