

Trade Waste and Trade Recycling Service Containers

We supply six different sizes of bin:

- 140L (smaller than a household wheeled bin)
- 240L (same as a household wheeled bin)
- 660L (big metal bin with 4 wheels)
- 820L (bigger metal bin with 4 wheels)
- 1100L (even bigger metal bin with 4 wheels)
- 1280L (our largest metal bin with 4 wheels – same as a bin at a Recycling Point)

In the picture above from left to right: 140L, 240L, 660L, 820L, 1100L and 1280L wheeled bins.

Bin Dimensions and Maximum Weights - approximate outer dimensions including handles

Bin size (litres)	Height (cm)	Width (cm)	Depth (cm)	Maximum weight capacity (kg)
140	104	50	55	59
240	110	58	74	96
660	131	125	72	264
820	137	123	78	328
1100	157	125	98	440
1280	143	135	100	440
