1 Guidance on applying for Early Learning and Childcare (ELC) Funding in Aberdeenshire

Introduction

Scottish Government have committed to 1140 hours of funding per year of Early Learning and Childcare (ELC) for all 3 and 4-year-old children and eligible 2-year-old children who meet the criteria.

Aberdeenshire Council has a duty to provide funded ELC places for all 3 and 4-year-olds and for eligible 2-year-olds. Parents/carers will be entitled to up to 1140 hours of ELC.

In Aberdeenshire we provide high quality, flexible ELC that is accessible and affordable for all families. We provide a variety of settings across Aberdeenshire for families to access up to 1140hrs of funding every year.

There is a variety of settings providing different models of ELC for you to choose from. These include Local Authority schools and Funded Providers, our Funded Providers include private nurseries, playgroups, childminders, and independent schools.

At the end of this guide, you will see an overview of what each individual setting can offer you. You can choose a setting that is right for you and your child.

2 How will my child benefit from attending Early Education and Childcare?

Early year's education is not statutory education in Scotland but has many benefits. It allows children to acquire vital skills allowing them to listen to others and share their own ideas. Children can make friends, learn to share, cooperate, and develop a lifelong love of learning.

4.4 Do I need to reapply even if I'm returning to the same setting?

All children need to apply for the eligible funding every academic year. Even if they are attending the same setting.

4.5 Cross Boundary Early Learning and Childcare Placements

The Children and Young People (Scotland) Act 2014 places a statutory duty on Local Authorities to deliver ELC with enough flexibility to allow parents and carers, an appropriate degree of choice when accessing the services.

Any child can access their funded ELC in any local authority area. Families from Angus, Moray and Highland are either currently accessing or have accessed their funded ELC in Aberdeenshire. This can continue to take place, as it is part of the 'Funding Follows the Child' guidance.

A Cross Boundary Agreement has been developed with Aberdeen City Council. Children resident in Aberdeenshire are already entitled to attend an Aberdeen City Local Authority ELC setting under band 4 and 6 of the ELC Admissions criteria. However, a Cross Boundary Agreement with Aberdeen City Council will ensure we have an agreed protocol in place to allow children from neighbouring authorities to take up their ELC entitlement at Funded Provider ELC settings in line with Funding Follows the Child and the Guiding Principles of ELC Expansion.

Both Aberdeen City Council and Aberdeenshire Council acknowledge and agree that the delivery of Cross Boundary placements assists them both in discharging their duties under the Act, to provide ELC in a flexible manner.

Aberdeen City Council and Aberdeenshire Council have agreed to work together to facilitate the provision of Early Learning and Childcare for eligible children outside their own authority areas within the other Party's authority area. Both Authorities have agreed to enter this agreement to outline the principles and funding arrangements that are agreed between them in respect of ELC delivered in the other's authority area.

4.6 How can I use my ELC funding?

Parents/carers have a choice of ELC settings in Aberdeenshire where they can access up to 1140hrs of funding per year. Your entitled funding gets paid directly to your ELC provider by Aberdeenshire Council. Funding can also be used in other local authorities. In Aberdeenshire there are a range of delivery models that you can choose from. Aberdeenshire Council offer 46 week and 38 week models but funded providers will offer other models in addition to this.

In an Aberdeenshire Council ELC setting, the models and hours are as follows.

It can be used for full days, half days, 38 weeks (term time) or 46 weeks (all year) per year.

<p>09:00-15:00 Term Time (38 weeks a year) 30 hours per week Children can attend up to 5 sessions a week in blocks of up to 6 hours.</p>
<p>09:00-15:00 All Year (46 weeks per year) 4 sessions per week in blocks 6 hours</p>
<p>08:00-18:00 Term Time (38 weeks a year) 30 hours per week Children can attend up to 6 sessions a week in blocks of up to 5 hours</p>

08:00-18:00 All Year Round (46 weeks a year) 25 hours per week

4.7 What do I need to pay?

Parents and carers will **not** have to pay for any part of their child's funded entitlement and will not be asked for any upfront payment. This will be free at point of entry.

Parents/Carers are not asked to make any upfront payments at any time. This does not include additional charges such as the cost of special day trips or extra-curricular activities, which may be charged to parents / carers.

4.8 Support with extra costs

Sometimes an ELC setting will ask you to pay for snacks, meals, or special day trips. Or they might ask that you provide things like nappies, wipes, sun cream, or waterproofs/wellies for example. It all depends on the setting. But if you're worried about how you'll be able to pay for the wee extras, why not check out the [Best Start Early Learning payment](#) as you might be eligible up to £250 to help with costs like these:

Funding follows the child and the national standard for early learning and childcare providers: *principles and practice - gov.scot* (www.gov.scot)

4.9 Purchasing additional sessions/wraparound care.

It is only possible to purchase additional ELC sessions/wraparound care from funded providers. This is a private arrangement between the funded provider and parent. You cannot currently buy additional hours or sessions from Aberdeenshire Council settings.

4.10 Using Less Hours

1140 is an entitlement but isn't compulsory. You don't need to use all your 1140hrs entitlement. It is not compulsory to use the full 1140 entitlement and you do not have to access all the hours if it doesn't suit you and your child. If you choose not to use your full entitlement the remaining funded hours are non-transferable, in that they can't be saved for a later date. 1140 entitlement is provided on a pro rata basis.

4.11 Included Meals/snacks?

Children will be entitled to a meal if their session is longer than four hours. A meal maybe offered as a lunch or a high tea. You can access two funded meals if your child is in the setting all day i.e., 8am to 6pm. A child must be accessing a minimum of 8 funded hours in a day in order to access a second funded meal. A maximum of 5 funded meals can be accessed per week or 6 if the child is attending 3 full days per week.

4.12 Where can I use my ELC funding?

4.12.1 Types of ELC Providers

Funding Follows the Child ensures that the funded early learning and childcare entitlement is delivered in high quality settings. It is underpinned by a National

Standard that all settings – regardless of whether they are in the public, private, third or childminding sectors – that wish to deliver early learning and childcare must meet.

The National Standard sets out what children and families should expect from their early learning experience regardless of where they access their child's funded hours.

All ELC providers will be required to meet the Standard before they can access funding to deliver the free hours, whether they are in the public, private or third sectors or childminders.

Regardless of whether you are applying for an ELC place with a school setting or a childminder, you will need to complete the online application form in order to access your funded hours.

Parents should contact funded provider settings directly to confirm a place before completing an application form.

Childminders- look after children in their own home and can often provide flexible care in a homely environment. Some childminders may also provide options for pick up and drop off.

Private Settings - there is a range of private settings offering a variety of models.

School Setting - Settings provide care for children between 3-5 years many of these settings are attached to schools.

**Cluster area*

(Local primary schools are grouped in 'clusters. All primary schools within the cluster are zoned for the same secondary school)

Local Authority settings are attached to primary schools, however there is no guarantee that your child will be able to stay at the school for their primary education if your child is not zoned for that school.

Playgroups- there is a range of community-based/voluntary run playgroups across Aberdeenshire. Often these are in located in a community setting.

Outdoor settings – These settings are based outdoors and focus on learning in the outdoors. Mucky Boots, (Maryculter), Haddo Woodland Kindergarten (Haddo House) and J Puddleducks, Dunecht.

All our providers are registered with Care Inspectorate under Daycare of Children or childminding registration. All reports on settings can be seen on the Care Inspectorate website. <https://www.careinspectorate.com/>

4.13 How do I choose a setting?

With the variety of models on offer parents/carers should consider the type of setting that suits your child and family. Taking into consideration the location, the size of setting and the model of delivery.

If you wish to visit an ELC setting prior to submitting your application, please telephone/email the setting directly to make an appointment.

Transport to and from an Early Learning and Childcare setting is **not** provided or funded by Education and Children's Services.

4.14 If you wish to transfer ELC Funding.

Transfer of funding within Aberdeenshire can take place within exceptional circumstances.

Such as: **Moving House, your child's specific support needs warrant it, because you need to access to other types of childcare, There is significant change in your home circumstances.**

- Contact setting to check availability
- Discuss your intention to transfer with your current childcare provider
- Request a Transfer Form from Aberdeenshire council by emailing earlyyears@aberdeenshire.gov.uk

- **Transfers must be applied for the term prior to the transfer taking place and will only be able to start from the beginning of a term.**
- Please note you must have confirmed confirmation before your child starts at the new setting.
- **A notice period of at least 30 days must be given to your current ELC setting. Please note this may be longer in some funded providers.**

4.15 Can I use my funding in more than one setting?

4.15.1 *Blended Placements (Split Placements):*

Parents and carers can request to blend their funded hours between a maximum of two settings. You can indicate this on the application form. Blended placements can be across two local authorities or between a local authority and a funded provider or between two funded providers. Parents need to check with both settings to see if they offer blended placements and can offer the desired pattern/hours of attendance requested before applying. If a Funded Provider does not wish to accommodate blended placements, then the application cannot be supported.

***Split/Blended Placements must be applied for the term prior to the Split/Blended Placement taking place and will only be able to start from the beginning of the next term.**

***Please note if you decide to change/cancel your blended placement once funding has started, then this can only be done at the start of the next school term.**

***Please note sessions in local authority settings are either 5 hours or 6 hour blocks we do not operate half or partial sessions in school settings, if you choose to take less hours than you are entitled to within these blocks then these hours cannot be used at a later date or at a different setting.**

*** Please note children are required to attend a minimum of 2 sessions per week at a local authority setting.**

5 How do I apply for ELC Funding if I defer entry to school?

Children are only entitled to defer if they **are still 4 years old at the start of the academic year on 19th August 2026.**

Please speak to your Early Years Senior Practitioner if you have any concerns about your child moving on to primary one.

5.1 Deferrals

Eligibility and entitlement for deferral is only for children who are 4 when school starts in August. No child (including those with additional support needs), who is 5 when school starts in August has an entitlement or eligibility for deferral. If your child is 5 when school starts in August, staff in your child's setting will work with you to ensure that your child has a smooth transition to P1. A range of information will be considered when reviewing the models, in order to ensure that the most suitable model is being delivered in meeting the childcare needs across Aberdeenshire.

The models that are in this booklet will therefore be subject to change, but families will receive advanced notification of any considerations for change and advanced notification, should a model be planned for change.

You will be required to give advance notice of holidays, so that the Early Years Senior Practitioner at the local authority setting can plan staffing, meals etc.

Hybrid Model

Some of our Council settings are offering a 'hybrid' model. This is whereby a setting can offer either 9am to 3pm or 8am to 6pm model*. The number of 9am to 3pm places a setting can offer will be determined by the size of the nursery/ELC setting and the demand for 8am to 6pm places.

*Please note that 8am to 6pm model allows for families to access 8am to 1pm, 1pm to 6pm or 8am to 6pm.

Holiday Provision

Wherever possible Aberdeenshire Council will aim to maintain the same model during the holiday periods. However, when there is an awareness of low numbers taking up holiday sessions we may operate hub models, where either two or three settings come together to form a hub. Prior to this happening information will be shared with parents/carers and opportunities will be given to visit the host setting prior to the holiday period. There will always be staff from your child's setting working in the hub. If you have any queries regarding holiday opening please contact the setting you are applying to for more information.
